Roads Open to All Vehicles: ____ These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway

Trails Open to Vehicles 50 inches or Less in Width: Trails open only to motor vehicles less than 50 inches in

width at the widest point on the vehicle. Special Vehicle Designation: This symbol indicates the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table for further instructions.

This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during

certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions. Other Public Roads: -Highways, U.S., State Other Public Roads These symbols are used to show routes the Forest Service

does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary. Milepost Marker: This symbol is used to display the beginning and ending

mileposts of a road that has a change in the designation but not the symbology. Motorized Trail Access:

This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed.

OPERATOR RESPONSIBILITIES

Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must you know and follow all applicable traffic laws, you need to show concern for the environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. As a motor vehicle operator, you are also subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in

Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, and water crossings common to remote driving conditions. By your participation, you voluntarily assume full responsibility for these damages, risks, and dangers. Take care at all times to protect yourself and those under your responsibility.

Much of the Chippewa National Forest is remote. Medical assistance may not be readily available. Cellular telephones do not work in many areas of the Chippewa National Forest. Take adequate food, water, first-aid supplies, and other equipment appropriate for the conditions and expected weather.

ALWAYS REMEMBER TO RESPECT PRIVATE LAND! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS AND TRAILS AND IN DESIGNATED AREAS.

Read and understand this map in its entirety. If you have questions, please contact the Chippewa National Forest for clarification. As a motor vehicle operator on a National Forest System road, trail, or area you must comply with this map,

as well as all Federal, State, and local laws and regulations. Compliance with these rules is your

responsibility. Seasonal and Special Vehicle Designations
